

Goodview Avenue Water Main Extension

Project Update

10/14/22

Project Recap 10/10 to 10/14

- Disturbed irrigation systems continue to be repaired on Goodview Bay and Goodview Avenue
- Topsoil is being placed in the boulevard areas where utilities have been installed
- Homes are being connected to City water
 - Project representatives are contacting property owners to schedule water connections

Proposed Work Schedule for 10/17 to 10/21

- The contractor will continue to connect homes to City water
- Turf restoration will continue throughout the project
 - Grass seed, fertilizer and mulch will be applied to all areas disturbed by the project
- Irrigation repairs in various areas that were disturbed from utility installation
- The final layer of asphalt may be installed on Goodview Avenue, Goodview Bay and Goodview Court on Friday, October 21st
 - The schedule may be affected by weather
 - Residents are asked not to park on the street during this process
- Project representatives are contacting property owners to schedule individual connections to City water
