

## 100<sup>th</sup> Street Construction Update

May 4, 2023

This notice is to inform you of the upcoming 100<sup>th</sup> Street construction work and the estimated schedule to complete this work (**note, the below schedule is weather dependent**). Estimated schedule for the 100<sup>th</sup> Street construction:

- **Phase 1 (100<sup>th</sup> Street between Hamlet Avenue and Hemingway Avenue):** This work involves full street reconstruction and utility improvements. Phase 1 will remain opened to traffic, expect minor delays with flaggers controlling the traffic flow. The work is estimated to start on May 8, 2023 and be completed by late June 2023.
- **Phase 2 (100<sup>th</sup> Street between Hemingway Avenue and Ideal Avenue):** This work involves full street reconstruction and utility improvements. Phase 2 will be closed to traffic, a detour will be in place for this portion of the project following Hemingway Ave and 97<sup>th</sup> Street. The work is estimated to start in early June 2023 and be completed by late July 2023.
- **Phase 3 (100<sup>th</sup> Street between Ideal Avenue and Jamaica Avenue):** This work involves mill and overlay improvements. Phase 3 will remain opened to traffic, expect minor delays with flaggers controlling traffic flow. The work is estimated to start in the middle of July 2023 and be completed by the end of August 2023.

Below is a figure showing the phases for the 100<sup>th</sup> Street construction.
